

2010

## January

**AG Connect 2010 Expo, January 12-15, Orange County Convention Center, Orlando, Fla.** Owned and produced by the Association of Equipment this world-class event for the global agricultural industry will focus on innovative equipment, technology, networking and education. AG CONNECT Expo will attract more than 20,000 of the top producers touching all ag segments and over 700 exhibitors covering 250,000+ net square feet of exhibit space. Attendees will have an opportunity to connect through networking with experts who will help grow their business. **For more information, call (800) 867-6060, e-mail: [info@agconnect.com](mailto:info@agconnect.com) or visit Website at [www.agconnect.com](http://www.agconnect.com).**

**91st AED's 91st Annual Meeting & CONDEX, January 21-23, Henry B. Gonzalez Convention Center, San Antonio, Texas** This annual is a marketplace where distributor, manufacturer and supplier executives meet, build relationships, do business and learn new skills. CONDEX is also a powerful venue for building and strengthening business relationships with current and potential clients. Each year more than 2,000 of the industry's top executives gather at AED's Annual Meeting & CONDEX trade show, the only show in the industry dedicated strictly to equipment distribution, and the only one that attracts such a high number of senior-level decision makers to one location. **For more information, contact Dave Gordon at (800) 388-0650 or visit Website at [www.aednet.org](http://www.aednet.org).**

## February

**World of Concrete-World of Masonry and Technology For Construction, February 2-5, Las Vegas Convention Center, Las Vegas, Nev.** As the leading marketplace for the \$80 billion industry, WOC is the largest annual international construction tradeshow dedicated to the commercial concrete and masonry construction industries with more than 1,700 leading industry suppliers in more than 900,000 sq ft of exhibits featuring innovative products, technologies, tools and equipment. Produced by Hanley-Wood Exhibitions, which presents industry-leading conferences and exhibitions, such as WOC, that bring residential and commercial construction professionals face-to-face with product manufacturers. Each year more than 80,000 industry professionals attend this event. **For more information, call (972) 536-6370 or visit Website at [www.WorldofConcrete.com](http://www.WorldofConcrete.com).**
